

Minutes of the SERC meeting 10/65/14

The meeting was called to order by club president Bill Franklin.

The attendance rooster was passed around and everyone signed in.

The September meeting minutes were approved as posted on the internet.

KI4EFJ Dick gave the treasurers report and it was approved by all.

K4JBV Bill gave an explanation of the features of the 146.73 controller and remote receivers.

The Carolina windom (ed: SERC's antenna is a Windom, not a Carolina Windom) antenna is still in need of repair there was discussion about getting a work party together to repair it.

There will be a FCC testing session for all classes of ham radio licenses on Saturday 10/18 at 9am. Anyone wishing to test for a ham radio license is invited to attend.

George N2SQ discussed his part in the Ham training classes and clubs at both the Sarasota Military Academy and at Pineview High.

The meeting was closed.

Hans W2ZZB showed a film aired on ABC TV about ham radio in 1959. It was interesting to see the difference of ham radio then and compare it with ham radio now.

Everyone enjoyed his presentation as always.
